## ANGELS CAMP RV & CAMPING RESORT

### RESORT NEWS

It really isn't "NEW" news, but CAL TRANS has not yet completed our driveway entry - still working on the permitting. This is becoming a marathon undertaking.....

Meanwhile, our adopted mascot, BIG BIRD is doing great. He/She (we aren't totally sure as yet) weathered the recent fierce wind and rain storms just fine. Make a point of checking out the newest addition to the family on your next visit!

We are anxiously awaiting the change of season that will produce the first leaves on our newly-planted trees. Sandy, our groundskeeper, is taking such good care of them!

And while we are talking about the weather, is anybody else getting tired of the rain and snow? Great news for drought fears, but I'm ready to move on! Let's all start thinking positive....."vacation, vacation, vacation".....here are some ideas to hot-wire your imagination and get your juices flowing:
